

## Customs Compliance and Trade Specialist (f/m/d)

### Job Description

Our corporate customs and international trade department is responsible for cross-border trade and activities of Beiersdorf globally. We would like you to become a part of our team if you are looking for an interesting challenge in an international and volatile business environment and an exciting field of expertise. Get in touch with us, so we can get to know each other.

Your main responsibilities will be:

- Support in ensuring customs and foreign trade compliance for the entire Group
- Drafting, revision and implementation of policies, procedures and regular monitoring activities to ensure compliance with customs, trade and export control regulations
- Evaluation of business activities, practices, projects and documents to assess and avoid compliance risks
- Performance of due diligence checks to identify potential restrictions and risks with regard to products, place, persons and purpose
- Development and realization of optimization projects for the Group's international trade e.g. customs clearance, digitalization, reporting system
- Proactive support of and collaboration with relevant departments and our international affiliates abroad
- Global master data management and SAP GTS enhancement related to customs and international trade

### Your Profile

- In-depth knowledge and understanding of customs, export control and foreign trade legislation and procedures of the EU and comprehension of international regulations
- Proven experience of several years in business, advisory and administrative environment
- Ability to work independently and be responsible for complex projects
- Engaged, self-motivated team-player with an analytical mind
- Outstanding organizational skills with hands on and result oriented mentality
- BSc/BA/MA in law, customs, business administration, supply chain or a related field
- Proficient in standard office software and IT environment ideally in SAP GTS
- Excellent communication skills; fluent in English and preferably in German

Beiersdorf is known for its leading international skin care brands, including NIVEA, Eucerin, Labello, 8x4 and Hansaplast/Elastoplast. To maintain our growth we offer broad responsibilities and challenging tasks, enabling our people to raise the bar in all fields of our business - every day right from the start.
